

Professor Egor P. Popov

University of California, Berkeley, California

Selected Publications:

Popov, E. P., J. Penzien and Z. A. Lu., "Finite Element Solution for Axisymmetrical Shells", ASCE Eng. Mech. Div. J., pp 119-145, Oct. 1965

Popov, Egor P. Introduction to Mechanics of Solids. Englewood Cliffs, New Jersey: Prentice-Hall, 1968.

Sharifi, P. and E. P. Popov, "Refined Finite Element Analysis of Elastic- Plastic Thin Shells of Revolution", UCB/SESM Report No. 69/28, University of California, Berkeley, 1969.

P. Sharifi and E. P. Popov, Non linear buckling analysis of sandwich arches. J. Engng Mech. Div., ASCE 91. 1397-1312 (1971).

Popov, E. V., Engineering Mechanics of Solids, Prentice Hall, 1990
