http://www.researchgate.net/profile/Jie_Yang53

School of Aerospace, Mechanical and Manufacturing Engineering
RMIT University, Australia

Education:

Graduate Certificate: Tertiary Learning and Teaching, RMIT University

PhD: Solid Mechanics, Shanghai Jiao Tong University, China

MEng: Solid Mechanics, Tianjin University, China

BEng, Mechanical Engineering, Southwest Petroleum Institute, China

Career:

2014-present Associate Professor, RMIT University

2010-2013, Senior Lecturer, School of Aerospace, Mechanical and Manufacturing Engineering, RMIT University

2007-2009, Lecturer, School of Aerospace, Mechanical and Manufacturing Engineering, RMIT University
2005-2007, Lecturer, Department of Building and Construction, City University of Hong Kong, Hong Kong
2004-2005, Research Fellow, Department of Building and Construction, City University of Hong Kong, Hong Kong
2002-2004, Postdoctoral Research Fellow, Department of Civil Engineering, the University of Queensland, Brisbane, Queensland
1997-2002, Associate Professor, Department of Mechanical Engineering, Wuhan Institute of Technology, Wuhan, Hubei, China
1992-1997, Assistant Professor, Department of Mechanical Engineering, Wuhan Institute of Technology, Wuhan, Hubei, China
1983-1997, Engineer, Henan Petroleum Exploration Bureau, Nanyang, Henan, China

Total Publications:

95 journal papers, 35 conference papers, with over 2500 SCI citations and personal SCI H-index 29.

Selected Publications:
