KTH Royal Institute of Technology, Stockholm, Sweden

Education and Career:

I received both my M.Sc. (Aeronautics) and Ph.D. (Lightweight structures) from Kungliga Tekniska Högskolan (KTH) in Stockholm, Sweden. I became docent (D.Sc.) in 1996, associate professor in 1998 and full professor in 2001.

Selected Publications:

Book:

Zenkert D (1995) An introduction to sandwich construction. Chameleon, London.

Dan Zenkert, Sandwich Construction, Engineering Materials Advisory Services (EMAS), 1995, 277 pages

D. Zenkert. The Handbook of Sandwich Constructions. Engineering Materials Advisory Services Ltd., Cradley Heath, 1997.
