

A. N. Guz, I. Yu. Babich, D. V. Babich, et al., *Stability of Structural Members*, Vol. 10 of the 12-volume series *Mechanics of Composite Materials* [in Russian], A.S.K., Kyiv (2001).

Professor I. Yu. Babich

S. P. Timoshenko Institute of Mechanics of the National Academy of Sciences of Ukraine

Selected Publications:

Books:

A. N. Guz', Ya M. Grigorenko, I. Yu. Babich, et al., *Mechanics of Structural Elements* (Vol. 2 of the *Mechanics of Composite Materials and Structural Elements*) [in Russian], Nauk. Dumka, Kiev (1983).

A. N. Guz and I. Yu. Babich, *The Three-Dimensional Theory of Stability of Deformable Bodies*, Vol. 4 of the six-volume series *Three-Dimensional Problems of the Theory of Elasticity and Plasticity* [in Russian], Naukova Dumka, Kiev (1985).

A. N. Guz, I. Yu. Babich, D. V. Babich, et al., *Stability of Structural Members*, Vol. 10 of the 12-volume series *Mechanics of Composite Materials* [in Russian], A.S.K., Kyiv (2001).

Journal Articles:

I. Yu. Babich, "Stability of transversally isotropic cylindrical shells" [in Ukrainian], *Dokl. Akad. Nauk URSR*, Ser. A, No. 5 (1968).

I. Yu. Babich and A. N. Guz' "Stability of a transversally isotropic cylindrical shell under axial compression," *Mekhan. Polim.*, No. 6 (1969).

A. N. Guz', B. L. Pelekh, I. Yu. Babich, and G. A. Teters, "Region of applicability of applied theories in stability problems for bars and plates with small shear rigidity for the case of uniaxial compression," *Mekhan. Polim.*, No. 6 (1969)

A. N. Guz', I. Yu. Babich, B. L. Pelekh, and G. A. Teters, "Applicability of two-dimensional applied theories in stability problems for axial compression of cylindrical shells made from materials with small shear rigidity," *Mekhan. Polim.*, No. 1 (1970).

I. Yu. Babich, "Stability of equilibrium of an orthotropic cylindrical shell," *Proceedings of VII All-Union Conference on Theory of Shells and Plates*, Dnepropetrovsk, 1969, Nauka, Moscow (1970).
