Dept. of Applied Mechanics, Indian Institute of Technology Madras, Chennai, Tamil Nadu, India

Education:

Ph.D. 1993 Louisiana State University, Baton Rouge, USA

Research Interests:

Smart Materials and Structures; Inelasticity and Plasticity; Micromechanical modeling; Fatigue of Materials; Computational Mechanics; Composites

Selected Publications:

J. Jefferson Andrew, Sivakumar M. Srinivasan, A. Arockiarajan, Hom Nath Dhakal, "Parameters influencing the impact response of fiber-reinforced polymer matrix composite materials: A critical review", *Composite Structures*, Vol. 224, Article 111007, 15 September 2019
